AT YOUR SERVICE. ON YOUR SIDE.

Your Mortgage Representative With Experience & Knowledge That You Can Trust

Whether you are a first-time homebuyer who needs to better understand the workings of your credit or a seasoned buyer who needs a lender to run through options with, we have the expertise and knowledge you need for the home loan experience you want.

At Credit Union of Texas we offer a wide variety of different mortgage loans to fit your financial needs. If we can't help you reach your goals or feel confident that the products we are offering won't better your situation, we guarantee that we will be up-front and honest about what we can and can't do for you. Making the home buying process easy for you is our job and the most rewarding part of our career is seeing the finished product - your satisfaction.
